I was most pleased to receive your affirmative answer concerning your meeting with the Africa Roundtable on 14 March 1962. We will, accordingly, expect to meet you at 9:00 A.M. at the main entrance to the CIA Headquarters Building at Langley, Virginia, which as you probably know is about a half-hour ride from the Union Station in Washington. If your other appointments do not interfere, I would like you to be my guest at lunch and meet a few analysts.

The discussion itself will be most informal, but I would prefer a thirty to forty minute statement from you. I suggest that attention be directed toward the topic "Is Compromise Still Possible in Portuguese Africa." By all means be as provocative as you desire to be. The Africa Roundtable has functioned best when ideas have been freely exchanged.

25X1A When you arrive we will reimburse you for: 1) your first-class rail travel, which includes a lower berth, 2) round trip transportation by taxi or private car from  to Boston, 3) round trip taxi fare between the Union Station and Langley. You also will receive per diem and the consultant's fee of \$50.00.

The members of the Africa Roundtable join me in thanking you for accepting our invitation. I will telephone you again before the meeting.

Sincerely yours,
